

# Do the Most Good Skit

Characters

1. Child (seen)
2. GOD (unseen)

Stage Setting

- No particular setting is necessary, but it is good if the Child could sit on a chair and lean on a table that has a Bible on it.

Script:

**(CHILD: to audience - Shh! I'm trying to pray...)**

*bows head and folds hands*

**Child:** *Our Father, who art in Heaven*

**GOD:** Yes?

**Child:** *I'm praying.*

**GOD:** *I know. Do you know who I am?*

**Child:** *Yes. You are my Father, in heaven.*

**GOD:** *That's right! And do you know who you are?*

**Child:** *I'm your child!*

**GOD:** *Right again! Did you notice my love all around you this last (week/month)?*

**Child:** *Yes, I did. I saw your messages of love in all kinds of places! Thank you!*

**GOD:** You're welcome! You are my beloved child!

**Child:** I am?

God: Of course. And, did you notice the gifts I gave you?

**Child:** Gifts? Like presents? No. Did you give me a present?

**GOD:** I give all of my children gifts. But they aren't wrapped in paper with a bow. They are gifts that are part of you!

**Child:** I don't understand.

**GOD:** You have the gift of friendliness, for one. You make friends easily. That's a gift from me.

**Child:** Really? I didn't know that! Do I have more?

**GOD:** Of course. There's always more. Remember that I told you that you are fearfully and wonderfully made? That I made you in your mother's womb?

**Child:** Yes. I remember.

**GOD:** When I made you, I gave you gifts. As you go throughout life, you will unwrap more and more gifts.

**Child:** Wow! What kind of gifts do you give?

**GOD:** Some gifts are like being a good leader, having faith, wisdom or being good at being a friend. Like you!

**Child:** You said, "some gifts." What are the others?

**GOD:** There are a lot more.

**Child:** More? Wait, don't tell me. There's always more.

**GOD:** You got that right! There's always more. Remember the garden of your heart?

**Child:** Yes. You said your spirit was a like a seedling plant in my heart.

**GOD:** Right! As my spirit grows in your heart, your gifts will become more visible.

**Child:** Visible? You mean I will be able to see them?

**GOD:** Maybe. But, they will also be noticeable to others.

**Child:** That sounds exciting!

**GOD:** It is exciting. But, don't forget to use the gifts for my Kingdom.

**Child:** Your Kingdom?

**GOD:** Yes, you will learn more and more about my Kingdom soon! But, right now, just remember to talk to Me everyday, keep looking for my love and find ways to do the most good with the gifts I give you.

**Child:** Okay! I will. Hmmmm. I wonder what my gifts are...
