

## Kids' Page

**Jesus taught prayer by example.** One of the ways He taught how to pray is called the Lord's Prayer.

Begin learning the Lord's Prayer if you do not already know it. Use the version you like the best.

### Matthew 6:9 KJV

After this manner therefore pray ye:

Our Father which art in heaven, Hallowed  
be thy name. Thy kingdom come,

Thy will be done in earth, as it is in  
heaven.

Give us this day our daily bread.

And forgive us our debts, as we forgive our  
debtors. And lead us not into temptation,  
but deliver us from evil:

For thine is the kingdom, and the power,  
and the glory, for ever. Amen

Underline all of the words that  
you know by heart.

## 2. Talk to the King

### Prayer is Relationship

#### Matthew 6:9 KJV

*After this manner therefore pray ye: (This is the way you should pray)*

- Prayer is just talking to God.
- Jesus showed us examples of how to pray.
- The Lord's prayer is a pattern of prayer showing the different kinds of prayer.
- **Prayer is a relationship with the King of Kings.**
- It's not WHAT you say, it's what is in your heart that is important.

## Talk to the King - Discussion

**How do you become friends with someone?** You talk to them. Right? You probably spend a lot of time with them.

Did you know that you can talk about those things with God?

**Maybe you could picture sitting on God's lap like a father.** Maybe He is so big that He has to pick you up and put you up on His shoulder. Just tell Him what is on your heart or just tell Him you love Him and want to get to know Him better!

Hi God! I have so much to talk to you about!

Explore Philippians 4:6

*Be afflicted for nothing; but in **everything** by prayer and supplication with thanksgiving let your requests be made known unto God.*

### Explore, Discuss and Practice!

- **Explore who YOU are.** You are children, daughters, sons, students...
- **Who are you to God?** Beloved children of the King!
- **Use the poster you made last time** to remember who God and Jesus are.
- **You could even add some more names** of what God/Jesus are like (Provider, Comforter, Healer...) to the poster.

## Private Prayer Time

**Practice some Private Prayer Time.**

- If you're at home, find a cozy corner to pray. Look up ideas for a Prayer Closet.
- If you're at church, you can just bow your heads and have some quiet time. Maybe have some soft instrumental music playing in the background.
- Tell the kids that we are going to spend a little bit of time talking to God. You can talk about anything you want. Maybe you have a question for Him. Maybe you just want to tell Him you love him. Maybe you are sorry about something. Maybe you want to thank him for something.
- You will know when they get restless that the time is up. As you do this more often, the time the pray will be longer.
