| Lun                             | Merth                           | Merher | Yow | Gwener | Sadorn | Sul |
|---------------------------------|---------------------------------|--------|-----|--------|--------|-----|
|                                 |                                 |        |     | 1      | 2      | 3   |
| 4                               | 5                               | 6      | 7   | 8      | 9      | 10  |
| Describing people and things    | Dates                           |        |     |        |        |     |
| 11                              | 12                              | 13     | 14  | 15     | 16     | 17  |
| Describing me and you           | More on inflected prepositions  |        |     |        |        |     |
| 18                              | 19                              | 20     | 21  | 22     | 23     | 24  |
| Counting one to ten             | Working with what we've learned |        |     |        |        |     |
| 25                              | 26                              | 27     | 28  | 29     | 30     | 31  |
| Working with what we've learned | 'I like' and 'I know'           |        |     |        |        |     |

*Skeul an Tavas (Standard Cornish edition)* by Ray Chubb can be obtained from Amazon UK. The second edition of *Gerlyver Kescows – A Cornish Dictionary for Conversation* by Ian Jackson can be consulted free of charge on the Vocabulary page of [skeulantavas.com](http://skeulantavas.com). *Desky Kernowek – A Complete Guide to Cornish* by Nicholas Williams is an excellent book for self-studying and for reference. This too can be obtained from Amazon UK. In case of real difficulty obtaining any book or resource, email [iacobianus@googlemail.com](mailto:iacobianus@googlemail.com).

On the Audio page of [skeulantavas.com](http://skeulantavas.com) you will find nearly three hundred short podcast recordings by Nicholas Williams. All of them have accompanying text, so you can listen while reading along. You'll also find there the links to the weekly Cornish-language podcast radio shows produced by Matthei ab Dewi. Have you subscribed yet to the new magazine *Gweles*? Go to [gweles.com](http://gweles.com).
