Quick revision

Recite the numerals one to ten

Now recite them backwards

Five basic prepositions cause Second State mutation of the following word:

a 'of' (not possession)

dhe 'to'

dre 'through'

in dadn 'under'

wàr 'on, on to'

Compound preposition **dhia** 'from' (place or time) works like **a**.

Compound preposition **dhywar** 'off' (motion) works like **wàr**.

All other prepositions are followed by First State (i.e. no mutation).
