### *Exercise 3 – revising sentence structures*

Crysten and surfer friend Kyle are planning to meet up with three of Crysten's colleagues from the office where she works. Next Saturday, in Newquay. Kyle has not met them before, and is rightly concerned about safety. How would you put the conversation into Cornish?

Kyle	Can they speak Cornish?
Crysten	Oh yes, they all speak Cornish.
Kyle	And can they surf?
Crysten	Gregor surfs well. Elsat's still a learner. Vyvyan can't surf, won't surf. She can't swim! So she'll sunbathe and read a book.
Kyle	Do they know where Newquay is?
Crysten	Of course! Stop worrying. We'll meet on Fistral Beach at half past ten.
Kyle	Okay! See you on the beach.
