HOLE IN ONE:

*Emma Pinson
Robyn Kisling*

Congratulations to Rachel Rau for her 128-yard Hole-in-One on Magellan #11 on July 26th. Her awesome shot was witnessed by Judy Skinner, Jane Jeffries, and Lois Petrosky.

New members may join at any time during the year by paying a \$10.00 fee. Each time a woman in the club makes a hole-in-one from the gold tees on any of our 10 courses, (excluding Diamante and Coronado executive course only), she will receive one dollar x's the number of members in the club. Any new member joining WGA or any lady living in the village is eligible to join the club. If you would like to join, send a check made out to Hole In One Club and mail it to Robyn Kisling, 47 Campeon Way. You have 365 days a year to get a HIO, not just on league days and you DO NOT have to be a WGA18 member. Current members can check your balance on our webpage www.hsvwga18.org. If your amount is \$3.00 or below, send a check to Robyn.

We hope you have the next Hole-in-One!

THINKING OF YOU:

Diana Beene

A thinking of you card was sent to Sandy Mabry and Wanda Selman. A sympathy card was sent to Jarilyn Wadley (loss of her husband).

Thank you for keeping me informed. You can email me at dbeene4700@gmail.com, text 984-3446 or call 922-0838.

PRESIDENT'S MESSAGE:

Wow! We are now halfway through our 2021 season! It is always so much fun to play in our league with old and new friends each week. We still have some fun games coming up and a couple of tournaments too, so don't forget to sign up each week.

Kudos and a BIG thank you to Kathy Norris and her team for hosting the Invitational Tournament! It was super fun to play in and to see friends from out of town enjoying our beautiful golf courses. Congratulations to all of our members who won!

Another BIG thank you to Martha McAlister for instructing us at the second walking rules seminar at Balboa on July 19th. There is always something to learn and those who attended certainly did!

We are so fortunate to have so many talented ladies in our league who volunteer their time to serve on our board or a committee. Thanks to all!

Try to stay cool, hydrated and most of all HAPPY!
See you on the course. *Donna Mahle*

STARTERS:

Wanda Selman

Thanks to all of you for saying YES when called upon to help as starters on our Play Days. Your willingness to get to the course early to make the day go smoothly is very much appreciated by everyone. We still have many more opportunities for our Thursdays, and I hope everyone will continue to be generous with their time.

JUNIOR GOLF:

Wanda Selman

Junior Golf 2021 ended another summer with their 2-day tournament July 28th & 29th. Many juniors passed through the program this summer just as in past years. Every able-bodied volunteer has been an integral part of the success of this program. We thank each and every one of you for your time and talent. Please consider volunteering next year to introduce more future golfers to this wonderful game.

VICE PRES./PLAY DAY CHAIRMAN: *Sandi Smit*

Wow, we're halfway through our season! The Invitational was in my opinion a total success, congratulations to all our winners, especially the shootout winners of Cathy Easterwood and Janee Jeffries! Congratulations to Kathy Norris and her entire committee for all the hard work!

We've had two rules clinics given by Martha McAlister in July, and these clinics are very informative. I've learned something every single time I've gone, and I know you all will too! If you would like more of these clinics, either rules or short or long game clinics, please let me know, email me at sandismit@yahoo.com and I'll get more on the schedule.

HANDICAP: *Ruth Smith*

Adjustment of Holes Not Played for Handicapping Scores

Last month I covered (Rule 3.3, Rules of Handicapping. "Scores for a Hole Not Completed". This Month it's:

Adjustment of Holes Not Played

Q. I did not play a hole. What score to do I post?

A. When a hole is not played, for example, due to darkness or construction, the score recorded for handicap purposes is net par, (equal to par plus any handicap strokes you are entitled to receive) based on your Course Handicap.

For example: A Player with a Course Handicap of 21 receives 1 handicap stroke on all 18 holes and 2 handicap strokes on holes with the stroke difficulty index of 1 through 3 on the scorecard.

On a par-3 hole with a stroke difficulty index of 17, the player's net par score is 4 (3 + 1). (Rule 3.2, Rules of Handicapping)

Please note above, you take "Net Par" which is not necessarily your "MAX"

This USGA site has many answers for your questions about Handicapping.

CRUSH CANCER: *Becky Dost*

Crush Cancer Committee is seeking new committee members for 2022. This is a great way to network within the league. A team of three or four members would work well. Compose and send communication, coordinate annual play day, coordinate golf sale and track financial contributions are primary activities. If you are interested, please contact a member of the current committee – Debbie Johnson, Jody Brennan, Michele Lukasavage, or Becky Dost.

SWAGS: *Rebecca Huber*

The Arkansas Senior Women's championship will be August 31st - September 1st at Hot Springs Country Club. A practice round can be scheduled on August 30th. There is a noon shotgun the first day and a 9 a.m. shotgun on the second day, followed by lunch. Entry is \$160. This is a two day, individual stroke play event held on the Park Course. The course is in great shape, it has friendly senior tees, and lunch is always good. If you would like an entry, email Mimi Evans at emelissa5765@yahoo.com. Please call or text me at 501-844-7656 if you have questions.

WSGA: *Rebecca Huber*

The Women's Southern Golf Association Senior championship site is being changed. The Oklahoma course is no longer available. I will send out an eblast as soon as I know the new site, date, and registration deadline. It will be in October or early November. It would be a good idea to check their website on your own, so you are aware of this information as soon as possible.

Happy August Birthday
