### CRUSH CANCER: *Ann Alfson & Betty Johnson*

The Crush Cancer Golf Tournament has been rescheduled. It will be held August 4, at 9:00 a.m., at DeSoto Golf Course. We will have a shotgun start, lots of fun activities, and a raffle/silent auction. So, mark your calendars, grab your partner, and get ready for a fun day!

Plans are also being made for the annual Crush Cancer Golf Sale to be held September 7-9 at Woodlands Presbyterian Church. Details for collection of your gently used golf clothes and golf items will be available soon. This is a great opportunity to clean out those closets and donate all that “stuff” taking up space in your garage. And you are helping a very worthy cause! If you are interested in helping with this project, please contact Betty Johnson, 936 554 8849, or Ann Alfson, 817 239 4582.

### PRESIDENT’S MESSAGE:

This month I was hoping to write about the Walking Rules Clinics led by Martha McAlister and our successful Crush Cancer Play Day but unfortunately Mr. Weather did not cooperate with us for Crush Cancer so Martha gets the lime light all to herself.

For those of you that don’t know, Martha was inducted in the Arkansas Golf Hall of Fame in 2001, played in the U.S. Women’s Open in 1970, is a Volunteer USGA Rules Official which qualifies her to officiate at college events and a retired Attorney. She has been playing golf pretty much all her life and shares a lot of great stories about golfing with her dad and her trips officiating at collegiate events.

If you forgot to sign up you missed a great opportunity to be part of Martha’s Walking Rules Clinics, she hosted for the league the past couple months. She started at the Teeing Area and ended at the Putting Green of the hole we walked. She reiterated the 5 areas of the course, playing balls from Penalty Areas, Bunkers and random scenarios of things that frequently happen while playing. As Molly Crawshaw stated “Her explanations were so clear, and her physical illustrations were so much better than reading them from a book.” I too felt the same way after leaving the session.

Thank you, Martha, for sharing your knowledge and love for the game with us! YOU ROCK!!

Just a few reminders that there will be no board meeting for July and make sure you check the schedule on our website and your email frequently for updates and changes to what’s happening in WGA.

WGA 18-Hole ROCKS!!

*Sharron Montgomery*

## THINKING OF YOU:

*Diana Beene*

Thinking of you cards were to Ruth Fugler and Karol McNeal.

Sympathy cards were sent to Emma and Bob Pinson for the loss of Bob's brother. Sympathy cards were also sent to Cheri Theil and Kathy Hendricks for the loss of their mother.

Please let me know when someone needs a card. You can email me at [dbeene4700@gmail.com](mailto:dbeene4700@gmail.com), text 501-984-3446 or call 501-922-0838.

Thank you so much for keeping me informed.

## HOLE-IN-ONE:

*Emma Pinson  
Robyn Kisling*

Welcome to the hot days of summer! Each year I think it starts earlier than the year before. Please be careful when going out into this heat, hydrate, park in the shade, when possible, plenty of cold rags and lots of fans! It has been a slow start for the HIO club. Ann Shelton had the last two in February and April. Maybe it's the heat! Oh wait...maybe it's not! Shan Merritt had an ace on June 26<sup>th</sup> at DeSoto on hole #14. Be sure and check your account balance on the website if you are \$3.00 or below send a check made payable to HIO Club to Robyn Kisling 47 Campeon Way.

Please stay safe and have fun!

## HANDICAP:

*Ruth Smith*

Some golfers are having a little trouble remembering how and when to adjust their gross scores for handicap recording. This is going to make it easy. Instead of recording the total score, record your gross "HOLE-BY-HOLE SCORE". This is an option offered both on your app and GHIN.com, and you'll love it. The "hole-by-hole score" option will do the adjusting for you as you post your gross score holes. It's easy and fast and gives you some very interesting stats about your golf games. It keeps track of your birdies or better, pars, bogeys, double bogeys, triple bogeys or higher. There's also an additional "advanced stats" option for use, that will tell you more about your golf game than you might want to know.
