The Feast of St. Peter and St. Paul

Is celebrated each year, on June 29th and commemorates the martyrdom of the two great Apostles. This is probably one of the oldest feast days celebrated in the Christian calendar and was assigned by tradition, in the year 67. In 2010, images of Peter and Paul were found on the wall of catacombs dating back to the 4th Century AD. It is said that Peter and Paul were martyred at the command of Emperor Nero. They were imprisoned in the infamous Mamertine Prison of Rome and both had foreseen their approaching death. Even though they were killed on the same day, their method of execution would have differed. Saint Peter was crucified, head downward as he didn't feel worthy of being crucified in the same way as Jesus. Saint Paul would have been beheaded with a sword as he was a Roman citizen and afforded a quicker execution.

It will not be long now!

Our surveyor in charge of the Church building development Phase 2 has received a document 25 pages long with the items that need to be addressed in the next project and all accompanying drawings to be used as references for the schedule of works from our architectural engineer Luis Torres. That should be enough material to prepare the report that will go out to tender in mid July.

Planter outside the church. Brian Nelson, Chairman of Ottery in Bloom, asked me some time ago if they could replace the old rusty planter in St Anthony's property with a new one more modern and practical. I was delighted with his idea and we agreed to finally put it in the right position when we have finished our church development plans, that will include a safety retention low wall and Notice Board in that corner of our property.

Future day events

If all remains according to the government Road map it is hoped that in July, we have a couple of day events at St Rita's in Honiton. On July 2 there will be a social justice day, Care for Creation. This is aimed at young people 13 to 25. On July 10 there will be a chance to explore '*Expressing your faith through creativity*'. Members from the Stay Awake band will join us. This event is aimed at young people aged 10 upwards. More details to follow. For more information on any of these events please email Saskia at youth@prcdtr.org.uk
