It will not be long now!

Our surveyor in charge of the Church building development Phase 2 has received a document 25 pages long with the items that need to be addressed in the next project and all accompanying drawings to be used as references for the schedule of works from our architectural engineer Luis Torres. The surveyor said that the report was going out to tender this weekend. So far, I haven't heard anything from him. Patience!

World Day for Grandparents and the Elderly

Pope Francis has established a World Day for Grandparents and the Elderly, taking place for the first time on Sunday July 25 For links to the Holy Father's letter and information go to Catholic Grandparents Association. Grandparents have no agenda; they simply want the best for their grandchildren. They want them to be good, decent human beings, to know the difference between right and wrong, able to make good moral decisions and, if they go astray along the way, to be able to find their way back to a loving, forgiving, non-judgmental God.

Sunday 18 July

- First Reading: Jeremiah 23:1-6 The remnant of my flock I will gather and I will raise up shepherds to look after them.
- Psalm Response: The Lord is my shepherd; there is nothing I shall want.
- Second Reading: Ephesians 2:13-18 Christ Jesus is the peace between us, and has made the two into one.
- Gospel: Mark 6:30-34 They were like sheep without a shepherd.
