## **Phase 2 project at St Anthony's!**

We have come across some problems that need to be sorted out between the builder chosen to carry out the works and ourselves. The parish budget is not big enough to cover all we had planned to do. So, we have to reduce the cost to a more realistic figure. The building work is planned to start in January 2022. Better late than never!

## **COP26 Appeal:**

Action needed to heal our wounded humanity. "We have inherited a garden: we must not leave a desert to our children." Those are the words contained in a joint appeal signed by Pope Francis along with scientists and religious leaders at the beginning of this month in the Vatican during a meeting entitled "Faith and Science: Towards Cop26."

The Conference of Parties (COP26) is the 26th United Nations Climate Conference, that is set to meet in Glasgow in November 2021. It will be attended by leaders from over 200 countries to discuss climate change and how to tackle the global ecological crisis.

## **Thank you**
