Phase 2 project at St Anthony's!

We have come across some problems that need to be sorted out between the builder chosen to carry out the works and ourselves. The parish budget is not big enough to cover all we had planned to do. So, we have reduced the cost to a more realistic figure and we are working to get a fixed price to avoid unwelcome surprises. The building work is planned to start in January 2022. Better late than never!

Thank you

For your monthly/weekly offerings and for your continued generosity to the parish.

All Saints and All Souls

Please note that this year All Saints will be celebrated on Sunday 31st and All Souls on Tuesday 2nd.

Please pray

For our parishioners, family & friends, especially those who are sick, those undergoing medical procedures and in hospital and those feeling isolated in these challenging times.

Rise Theatre Workshop

Saturday 13th November, St Rita's, Honiton 10am-3pm, exploring the piece of scripture from Corinthians 'You are the body of Christ. Each one of you is part of it'. Young people (aged 10 upwards) do not need to have an interest in drama; there are other things they can do including filmmaking, art, poetry, script writing. This is a diocesan event and is the first of a series of regional events. It is a great opportunity for our young people to meet others from other parishes and to simply have fun together. If you are interested, please contact Saskia youth@prcdtr.org.uk

COP26 - UN Climate Summit

COP26 is the 2021 United Nations climate change conference. It's the 26th annual summit – giving it the name COP26. With the UK as President, COP26 takes place in Glasgow from Sunday 31 October to Friday 12 November 2021. Cafod has produced a useful guide to COP26 with tips on how to get involved. Our response is rooted in prayer and action so in the run-up and during the summit, we invite you to pray that the leaders and negotiators work together for positive outcomes for our common home. You can download our prayer card and poster. Check out our environmental case studies for examples of how parishes, organisations, academic institutions, and other church groups are collaborating to help protect our common home.
