Phase 2 project at St Anthony's!

We have come across some problems that need to be sorted out between the builder chosen to carry out the works and ourselves. The parish budget is not big enough to cover all we had planned to do. So, we have reduced the cost to a more realistic figure and we are working to get a fixed price to avoid unwelcome surprises. The building work is planned to start in January 2022. Better late than never!

November remembrance list

During the month of November we remember those who have died. There are special envelopes, or any envelope will do, into which you can place the list of the dead you want to pray for and place them in the box on the altar. Those entered on the List will be remembered at all Masses throughout the month of November.

COP26 - UN Climate Summit

COP26 is the 2021 United Nations climate change conference. It's the 26th annual summit – giving it the name COP26. With the UK as President, COP26 takes place in Glasgow from Sunday 31 October to Friday 12 November 2021. Cafod has produced a useful guide to COP26 with tips on how to get involved. Our response is rooted in prayer and action so in the run-up and during the summit, we invite you to pray that the leaders and negotiators work together for positive outcomes for our common home. You can download our prayer card and poster. Check out our environmental case studies for examples of how parishes, organisations, academic institutions, and other church groups are collaborating to help protect our common home.
