## **Phase 2 project at St Anthony's!**

On the week starting 14<sup>th</sup> February we are having the final meeting with the builders FIJ Building Services to pay attention to details and agree on an affordable fixed cost of our parish project. After that meeting we should have a date to start the works in the very near future. Please, keep it in your prayers.

## **Parish Groups and Committees**

Officially and due to the virus crisis and building problems, none of the parish groups and committees have been functioning for over two years. Unofficially, the flower arranging ladies, readers of the Word, linen cleaners and office secretary have been busy. We are very grateful to them. Their work is a powerful prayer of thanksgiving and praise to God and help to our Community.
