### **28 August, St Augustine of Hippo– Bishop & Doctor (354 - 430)**

Augustine was born in Thagaste in Africa of a Berber family. He was brought up a Christian but left the Church early and spent a great deal of time seriously seeking the truth, first in the Manichaeism heresy, which he abandoned on seeing how nonsensical it was, and then in Neoplatonism, until at length, through the prayers of his mother and the teaching of St Ambrose of Milan, he was converted back to Christianity and baptised in 387, shortly before his mother's death. Augustine had a brilliant legal and academic career, but after his conversion he returned home to Africa and led an ascetic life in Community with some of his friends. He gave them a Rule that has been followed by numerous Orders and Congregations of women and men over the centuries up to the present time. He was elected Bishop of Hippo and spent 34 years looking after his flock, teaching them, strengthening them in the faith and protecting them strenuously against the errors of the time. He wrote an enormous amount and left a permanent mark on both philosophy and theology. His Confessions, as dazzling in style as they are deep in content, are a landmark of world literature. He was declared a Doctor of the Church by Pope Boniface VIII in 1308.

### **The Relics of St Bernadette will be visiting Plymouth Cathedral on September 9th and 10th.**

This very special once in a lifetime event will provide an opportunity for people of all ages and backgrounds to experience the special gifts and charisms of Lourdes near to their home.
