Phase 2 project at St Anthony's!

Started on Tuesday 19th April 2022, managed by FIJ Building Service Ltd, and was expected to be finished in 26 weeks. After 94 weeks on *Friday 19th January* FIJ Building Service Ltd. offered to end their involvement and passed it on to the Parish to carry on the building project and see it come to a happy end.

Week 10 managed by Parish: The plasterers should finish their work sometime this week. Then the decorator/painter will take over and, finally, will leave the finishing job to the floor specialists at the end of April.

Gratefully received in March

- Two donations of £1,000 each and one donation of £250 'for St Anthony's Church building fund'.
- Your weekly donations towards the general church expenses.
- Unexpected help from a visitor who cleared the weeds from our side of the pavement car park brick wall and from a parishioner who placed some flowerpots around the car park to welcome our congregation at Easter.

Thank you!
