OUR VISION:

To build a strong and thriving community by inspiring individuals and families to find purpose, regain dignity and become self-sufficient and stable in all areas of their lives.

OUR MISSION:

To provide programs and services designed to ignite faith and hope, communicate God's love in word and deed while equipping our clients with tools and community resources to achieve their highest dreams.

OVERVIEW:

PLI provides practical help and encouragement to our clients. We build strong relationships with local area partners to gain full knowledge of all available resources to connect our clients to the bountiful benefits in the community.

OUR SERVICES:

Practical:

Free access to our computer lab: resumes, job search and educational

purposes. We help our clients acquire professional attire and supplies to prepare for video or in person interviews.

ACCESS POINT services with online applications for recipients of Florida State Benefits and other programs such as SNAP (food stamps), Medicaid Programs and related needs.

Resource Navigation;

Referrals to organizations where appropriate and available for safe shelter, affordable housing options, legal assistance, transportation, child care, rent or utilities help.

Covid-19 safety measures are in place for social distancing, sanitizing and mask guidelines.

OUR PROGRAMS:

Case Management:

Assess & identify immediate needs. With client input, we develop an individual action plan toward the desired outcome toward self-sufficiency and stability.

Coaching & Education:

Online training and education opportunities in our computer lab to build and enhance skills. We offer job readiness training, financial literacy, credit counseling, and other life skills coaching needed to move toward a successful outcome.

Encouragement & Spiritual:

By word and deed, we celebrate success and communicate the Good News to everyone that comes to PLI. We offer advocacy, friendship, encouragement, and prayer.
