People's Life Institute

Are you worried about a friend or neighbor in our area? Let us know and we can check in with them to refer them to social

activities, churches and other community resources.

PLI has Men's & Women's Lunches to make new friends and have fun & fellowship.

Our Community Workshops address needs in the local area and our Senior Technology Workshops are also popular.

People's Life Institute....

strives to help build a strong and thriving community by inspiring individuals and families to find purpose, regain dignity and to become self-sufficient and stable in all areas of their lives.

...moving forward to a place of self-sufficiency and stability

We offer programs and services designed to ignite faith and hope, communicate God's love in word and deed. Our goal is to equip our clients with tools and community resources, to empower them to become productive and independent.

We coach and encourage our clients to discover their own strengths and gifts. PLI builds strong relationships with local partners to keep current on all available community resources to connect our clients to them.

OUR SERVICES:
