Victoria miniLAND - The Center for Handcrafted Miniatures
specialized in high-end products in 1:12, 1:48 and 1:6 scales.
Our store was established in 2004 in beautiful Victoria, British
Columbia, Canada. While serving our local community for
over 10 years, we have started to branch out, and in 2015 we
have shifted our focus to an entirely web-based store.
