We offer items in all scales. Dozens of Handmade cakes, pastries & cupcakes make up our line of miniature edibles. We have a HUGE line of over 100 silicone molds to make your own miniatures from cakes and cookies to Legos, mushrooms & honeycomb. Our laser cut items consist of a beautifully intricate line of doilies and dozens and dozens of kits ready for assembly in all scales! We offer supplies from no-hole beads to our legendary frosting kits. Don't forget to check out the massive line of 3D printed items ready to just paint! We have something for everyone!
