- A while ago, we presented to the public ‘HISTORY ON RECORD – The Biography & Portrait of Ebenezer Obey-Fabiye,’ for the music legend and clergyman, Dr. Ebenezer Obey-Fabiye, MFR.
- The classical tome registered a huge success with accolades in its trail till date.

- Since, we have been privileged to write on the course of events in the lives of a number of dignitaries in Nigeria.
- One of our recent works is a beautiful chronicle the course of events in the life of an Icon of Law, Honourable Justice Mosunmola Dipeolu, the Chief Judge of Ogun State, to commemorate her 60th birthday. It is another well applauded masterpiece.
- Another one is 'De Jure', the maiden edition of the official magazine of the Ogun State Judiciary
- Others include publications on Clergymen, Royal fathers, Captains of Industries and Public Office holders. One of such is 'TRIBUTE IN WORDS AND PICTURES – A Treatise on HRM Oba Adeyemi Adekeye, the Abepa of Joga land', Ogun State
