Using the mouse

When you hover your mouse over a place your avatar can walk to, an icon of a person will appear.

When you left click on this area, your avatar will walk to where you clicked.

Menu

In the top left corner there is a drop down menu. Left click items here for various functions.

The GO TO menu lists all the rooms you can fast travel to.

The menu under your account name allows you to change your avatar, view your profile, and use emotes.

Presentation Boards

To use a presentation board, simply click on it. A URL bar will appear in the bottom right corner of the screen to show you it is active.

Use this bar like a regular browser to navigate the web. You may also take ownership of the board, and activate screensharing or webcam sharing from here.
