

Eagle Eye Outlook

Welcome Back

Cindy Roach is the principal of CCCA, a position which she has faithfully filled for 5 years!

Welcome to the 2021-2022 school year! I am excited to welcome back our returning CCCA families and to welcome all of our new CCCA families. This year's theme is Growth!

Romans 8:5 states – “For those who are according to the flesh set their minds on things of the flesh, but those who are according to the Spirit, the things of the Spirit.” When we set our mind on things of the Spirit, He is going to take us out of our comfort zone because we

are doing things that He wants us to do, not necessarily what we want to do. We need to grow mentally, physically, emotionally, academically, and most of all spiritually

Each year has been amazing, and we keep growing in Christ and with one another. I look forward to another year!
