It is a blessing that we are going to be bringing back our Fall Festival! I know everyone is excited to have a night of family fun! Activities include bounce house and slide, silent auction for some amazing gift baskets – I even heard there is going to be an Alabama and Auburn basket to win-

hayrides, face painting and a photo booth that is sure to capture memories that will last a lifetime. Admission to the fall festival is free, and the tickets for the games and food will be available for purchase at the event! Was the delicious food mentioned? According To the Score Board You Win Some You Lose Some, But You Always Win When God is First

The mighty CCCA Eagle football team headed into the season facing obstacles due to several pre-season injuries. The great thing about that is that the team put their faith and trust in the Lord to bring them through.

It was a tough season for the Eagles, but nothing could stop them. The team faced a lot of adversity through out their season but remained focused and represented themselves with amazing sportsmanship and Christian character. The Eagles headed to the State Championship with a goal of making it out as the reigning champs for the third year in a row. Despite the best efforts of our team, we came up a little short on the scoreboard. However, we still came out number one. How, you may ask. Well, you see not all winners score the most points. The Eagles won the greatest title of all, and while it may not be an official title, it is the highest of all.

When other teams stormed off the field because they weren't winning, the Eagles didn't. When other teams talked trash about them, the Eagles didn't mimic their behavior. The Eagles did as Jesus would have done. They turned the other cheek and continued to play their hearts out and serve the Lord with their talent in the process. Our mighty Eagles overcame this adversity with their heads held high, all while exhibiting amazing sportsmanship through Christian character. That is better than a gold trophy any day!
