One Word Principal's Corner

Cindy Roach is the principal of CCCA, a position which she has faithfully filled for 5 years!

OUR students started the New Year focusing on One Word. What is One Word and why do we want to focus on it? One word is a powerful way to simplify your life. Focusing on a word for the entire year catalyzes life change. Clutter and complexity lead to procrastination. Simplicity and focus lead to clarity and success. One Word cuts to the core of intention and offers a simple three-step process to discover your word for the year. Once you narrow your focus and choose your word, One Word will work its way into every aspect of your life.

Get ready for the six dimensions of your life—mental, physical, emotional, relational, spiritual, and financial—to be impacted and changed. One Word inspires clarity, power, passion, and life-change. When we find our word, we need to live it. We need to share it.

One Word helps our lives become more rewarding and more exciting than ever. One word will help you: Develop simplicity in a complex world, find focus and purpose in business and in life, gain clarity and passion, experience dramatic life changes and success and develop a discipline for life.

Ask your child what their one word is! We are focusing on their word and holding them accountable. Pray about it and see what God reveals to you! It will change your life!

Colossians 3:23-“Whatever you do, work at it with all your heart, as working for the Lord, not for human masters.”

CCCA Eagles Boys Basketball

Eagle Eye Outlook reporter Taylor Tapley sits down with CCCA Eagles Athletic Director, Dr. John Roach and gets his opinion on this year's basketball season. The JV Boys had a good first season together and I see them getting stronger and stronger. They are a very young team and played against boys that are much older and taller, but they are a fundamentally sound team. This JV team will be the one to watch! Our Varsity Boys made school history this season! They made it to the Elite 8 for the 3rd year in a row but then advanced to the Final 4 and finally the championship. They brought home the runner-up trophy with a final score of 44-40 against Tabernacle. This team had a great season, and we are very proud of them and their coaches. **Taylor Tapley**

CCCA Eagles Girls Basketball

Eagle Eye Outlook reporter Zach Borders sits down with Lady Eagles Head Coach, Tanya Strickland and discusses this year's basketball season. **ZB-** Coach Strickland, how did things go for the Lady Eagles' basketball team this season? **CS-** Our region is extremely difficult. We are outmatched in every aspect of the game versus the other teams. Our heart helps us to overcome the adversity we have faced. Although the scoreboard doesn't reflect the results we would want, the girls have worked so hard and improved tremendously. **ZB-** Is there anything you need to accomplish? **CS-** We need to get a win. **ZB-** What are some things you were working on? **CS-** Confidence, shooting ability, how to score points. **ZB-** What was your strong suit this season? **CS-** Our strong suit this season would have had to have been our defense.
