

LEGACY FUNDRAISER

This is for all of our CCCA families, alumni, business partners, and community partners.

You can purchase a brick to be added to the baseball and softball backstops! These bricks can have your first name or last name and you can be part of our school for years to come!

The price is just \$200 per brick. Each brick can only have 1 name. (If you have a business, please check out our different business donation plans).

We are so excited to offer this legacy fundraiser! You can fill this out below and send it back with cash or check made out to CCCA.

How many bricks? _____

Name(s) on brick(s): _____
