President's Message

Dear Members,

As the season is turning to Spring with wonderful warm sunny days, I'm hoping that you are all well and feeling better about the future. I know that many of you have already been vaccinated for Covid with many more to come, and I see that there is a bit more optimism in the air, as I have noticed more of you seem to be painting again. That is a good thing. Thank you to all who stepped up after my plea for more painting contributions for our monthly contest, it was really great to see so many members that have been silent for quite some time.

A few things for you to keep in mind & start preparing for... I mentioned previously that the San Mateo County Fair will have their annual art show online this year, but that was incorrect. Instead the entries will be made online & judged, then only the winning pieces will be delivered to the fairgrounds to view. See the following link: <https://sanmateocountyfair.com/pdf/2021/exhibits/2021-fine-arts.pdf> . Also, BAS will be partnering with the Burlingame Parks & Rec. for a one day pop-up Gallery in Washington Park in mid July. As it gets closer we will be looking for you and your paintings to contribute to the event. Let's use that as incentive along with the beautiful sunny days to motivate ourselves to get painting.

Diana

A reminder that in these times of Covid-19, while we are not able to gather for our monthly Demo / Competition meetings, we are attempting to keep our BAS "Artist of the Year" competition going. So, enjoy the next few pages of numbered paintings & then please promptly send in your vote for your favorite to the email address: dayglynn@aol.com The painting that receives the most votes will be awarded the monthly Popular Choice ribbon & will then be eligible to enter in the competition for the "2021 Artist of the Year".
