IMPORTANT NOTICE - Temporary Web Address

Please note that BAS has a temporary website address, as follows:

burlingameartsociety.weebly.com

Our old web-site (burlingameartsociety.org) is no longer available and, for the time being, if you try to search the web for The Burlingame Art Society you will be brought to the old site which will say "Oops... The site has expired". So for now, it is best to use the link that is sent in the email announcing the new monthly Palette.

***Also, please note that (unfortunately) going away with our old web-site (which was with Webs.com) are all of the free web-sites that had been set up for individual Burlingame Art Society members.

No BAS General or Committee meetings until further notice.

President's Message

Dear Members,

I have heard from some of you of that are having trouble getting to our temporary BAS web-site. I want to let you to know that we are currently working on securing a new site, at which we can once again use our old (.org) address. Hopefully it will be ready in a week or so, but for now please be patient and be sure to use the link that I send in the email with the monthly Palette notice.

I am so looking forward to seeing those of you that are planning to participate in "Gallery on the Green" in just a few weeks. And hopefully some of you that are not participating will stop by to see our pop-up exhibit. You might think about bringing chairs and hanging around in the park for a while, maybe even having a picnic.

Lastly, I feel that I have to mention the loss of two beloved BAS members this past month. Unfortunately, I myself did not know Anastasia Cole very well, but her reputation for loving art and her fun loving personality are well known by many Burlingame residents and long time BAS members. And also, my dear friend George Dumandan.....words simply can not express how much and how deeply he will be missed.

Diana

A reminder that in these times of Covid-19, while we are not able to gather for our monthly Demo/ Competition meetings, we are attempting to keep our BAS "Artist of the Year" competition going. So, enjoy the next few pages of numbered paintings & then please **promptly** email a vote for your favorite to: dayglynn@aol.com The painting with the most votes will be awarded the monthly Popular Choice ribbon & will then be eligible to enter in the competition for the "2021 Artist of the Year".

Gallery on the Green

BAS will partner with the Burlingame Parks & Rec. Dept. on Sat. July 17th for GALLERY ON THE GREEN in Washington Park. If you would like to participate & have not yet let Diana know, please email **no later than July 8th**, so that plans can be made to accommodate exhibiting members. We will show from 10 am - 1 pm.
