## President's Message

Dear Members,

Well...not too much to report this time around, except that I've been thinking lately about when and how we might get back to our monthly meetings. As far as I know the library is still not open for group meetings, but I'm also wondering how many of you (BAS members) are interested and willing to return to group meetings. Before planning and signing any contracts etc., I think we need to know if enough of us are ready to be in a group setting again. I may take an actual poll at some point to get a better sense of this, but for now anyone who wishes to chime in, please feel free to email me with your thoughts. I have another idea that I'm thinking about, but I will wait until I have more details about it before I let you all know...don't want to get too excited until I know that it's a possibility. Sorry, now I got you all curious... 

*Diana*

A reminder that in these times of Covid-19, while we are not able to gather for our monthly Demonstration-Competition meetings, we are attempting to at least keep our BAS "Artist of the Year" competition going. So, enjoy the next few pages of numbered paintings and then please promptly send in your vote for your favorite to the email address: [dayglynn@aol.com](mailto:dayglynn@aol.com)

The painting that receives the most votes will be awarded the monthly Popular Choice ribbon and will then be eligible to enter in the competition for the "2021 Artist of the Year".
