President's Message

Dear Members,

Many of you know (but possibly not all), that Burlingame has been in the process of building a new, state of the art, Community (Recreation) Center which is due to open in mid June. The much larger, two story building with lots of parking (including underground), is quite something. You can see the progress on-line by going to the Burlingame Parks and Recreation web-site and scrolling down to the section titled "New Burlingame Community Center Project Updates". There are great photos showing the new building.

The reason I mention this is because I have spoken to the recreation supervisor for the Center about the possibility of having our BAS meetings there in the near future. It will be contingent on a couple of things, mostly the cost of renting the space, of which we are not certain yet, but I had the feeling that they will work with us on the fee, being we are a Burlingame community based group that has been around for so many years. I think this will be an ideal spot for our meetings and I'm really hoping it works out....maybe at least by fall. So let's all keep our fingers crossed.

Diana

A reminder that in these times of Covid-19, while we are not able to gather for our monthly Demonstration- Competition meetings, we are attempting to at least keep our BAS "Artist of the Year" competition going. So, enjoy the next few pages of numbered paintings and then please promptly send in your vote for your favorite to the email address: dayglynn@aol.com

The painting that receives the most votes will be awarded the monthly Popular Choice ribbon and will then be eligible to enter in the competition for the "2021 Artist of the Year".
