Up NEXT

We had a bit of a snafu in March when guest artist Paul Kratter was unable to do his scheduled demo for us, but all is well and we are happy to say that he will now be the guest artist for our May meeting. Paul spent 24 years as an illustrator for sports magazines & publications. He claims that everything changed in 2002 when he attended a Sonoma plein air event, with his wife, and was immediately taken by the freshness of the plein air paintings. He was off to the art store the very next day where he bought a set of oil paints and began his new journey into painting his own beautiful plein air landscapes. Paul's love for the animals (in their natural settings) that he encounters

on his adventurous trips, shows through in his wonderful wildlife paintings. You won't want to miss his demo.

Next Committee Meeting will be May 9th, 2024, 2:30pm at Sherry's

President's Message

Dear Members,

I'd like to take this opportunity to say thank you to fellow BAS members, Pat Barr & Susan Pizzi, as they have both recently stepped down from their positions on the BAS Committee. For many years, Pat & Susan have taken on different jobs on the Committee, including both having their turn as President. We are so grateful for the years that they have spent generously volunteering their time to help make things run for our wonderful BAS group.

That being said, we now have positions to fill on our committee, one being Programs Chair. This person is in charge of finding our monthly guest demo artists, which can be a really fun job. It may be done by attending art shows or open studios, etc., meeting interesting & talented people to find an artist who's work is a good fit for a BAS demo. Or by contacting different artists through their personal web-sites to see if they are interested in demonstrating their personal techniques for us. I have found that most artists are kind, generous people and are lots of fun to talk with and get to know. If anyone is interested or would like to know more about what the Programs position involves please contact me or talk to one of our committee members at a meeting. Any member is welcome to join a committee meeting as a guest, so you can see how we get things done. You might even prefer the job of president, since my time as such should soon be coming to an end.

Lastly, I am looking forward to our one-day Paint-out and subsequent dinner on May 25th, as I'm sure it will be a good time...

Diana

Volunteers

As a reminder to all... the Burlingame Art Society is solely managed by volunteers, which means we can always use more help with jobs that need to be done to keep us going. We hope that you will consider joining the wonderful group of volunteers that take on these tasks. **We are especially in need of help with programs at this time.** For more information please feel free to speak with anyone on the BAS Leadership Committee.

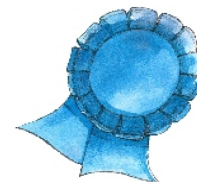

MANY HANDS MAKE LIGHT WORK!

MEETING RECAP

Guest artist, Jan Prisco, started her pastel painting demo by giving us a choice of what we wanted her to paint and the majority of the group picked a seascape. Jan enthusiastically began by explaining how she spends hours and hours studying the ocean to understand the anatomy of waves. With her large tray of multiple colors of soft pastel sticks to choose from, she began her under-painting with the darkest hues before setting them into the paper with rubbing alcohol, as many pastel artists do. She especially likes square sticks by "Ludwig" and loves using 400 grit paper from "UART" that comes already mounted on board. Her wonderful, kind personality came through as she spoke & answered our many questions while painting. Jan wasn't able to complete her painting by the end of our time, but offered to send us an image of the finished product. Below is another of her beautiful seascapes that she brought to share with us.
