There is an awesome feeling to watch a movie with huge husite and bustle whole hall had the sound of slogan “Gandhi Zindabad”. The film story had begun when Gandhi name spread across Khanna and out of Khana in all over the world. Everyone wanted to attach with Gandhi, either they were students, normal people or politics leader.Every College of Punjab used the slogan of Gandhi.After some time Gandhi was famous in the whole world but at that time he offended the eye for some people, and due to this, he lost his life. As we concern movie’s artists then Dev Kharoud did amazing acting of Gandhi and atmosphere created by his friends also joyful. Jagjit Sandhu acted as Bhola who is the heart of Gandhi group, everyone enjoys his innocent mischievous and it is the part of a laugh in the movie. Sanvi Dhiman performed nicely she kept attitude in college but she falls down her heart on Gandhi. Bhola has a crush on Kajal Behal in the movie. Sukhdeep Sukh, Navdeep Kaler, Aman Kotish are the other gens of the movie. Director Avtar Singh has a strong hold on the story.The story penned down by Inderpal.
