

Château Le Chêne

AOC Haut-Médoc

DOMAINES FABRE
BORDEAUX - FRANCE

History

In 1982, Chateau Le Chene joins the portfolio of the estates run by Domaines Fabre. The estate was a part of the Picourneau vineyards in the commune of Vertheuil who was a "noble house" in the mid 1850's.

Tasting notes

 The wine has a youthful, bright ruby colour with a slight hint of evolution on the rim.

 On the nose there is some evolution of aromas leading to wonderful complexity ; red fruits, black fruits, spices, cocoa, tobacco and toast.

 On the palate the wine is round, fruity and complex. The structure is still young with crisp tannins and a very good ageing potential.

AOC Specifics

The Haut-Médoc appellation stretches some 52 km (37 miles) from north to south. It has terroirs of remarkable quality, with a pre-dominance of layers of (essentially Garonne) gravel, deposited in outcrops, these sites are all characterized by their wide diversity. It is the homeland of Cabernet Sauvignon grapes. The vines live on since 2000 years thanks to the passion of the winemakers.

This wine, with its exuberant black fruits, is very young. But it is already deliciously fruity, with a backdrop of tannins. The brightness, rich texture, poised acidity and black-currant flavors promise a good future. Drink from 2020.
