

# Lions de Fabre

## AOC Médoc

DOMAINES FABRE  
BORDEAUX - FRANCE

## History

Vincent Fabre and his technical team created a new range of wines, "Lions de Fabre", after discovering 4 magnificent lion heads sculpted on the base of our family château's lightning conductor, 20 metres high. "Lions de Fabre" is the result of a strict selection of quality wines and reflects the hallmark of Domains Fabre: high standards, consistency and expertise.

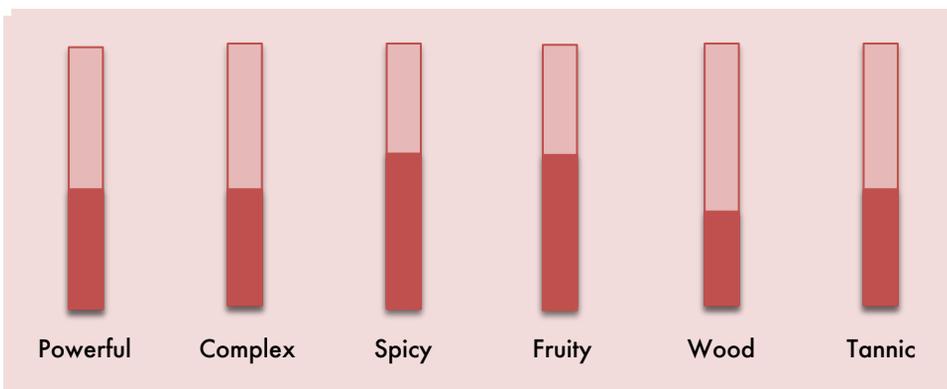

## Tasting

-  Bright ruby colour.
-  Red fruit on the nose, with spicy and woody notes.
-  Supple, round tannins with a smooth finish

## Information

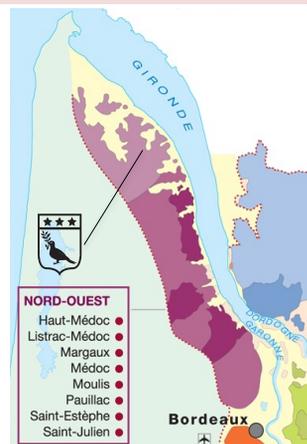

-  50% Merlot  
50% Cabernet Sauvignon
-  Traditional maturing
-  60 minutes
-  16-17°
-  Cold meats, white meats

## AOC Specifics

The Médoc appellation covers the northern part of the peninsula. It boasts a diversity of terroirs ranging from sandy gravel to clay-limestone soils. These soils are ideal for growing Cabernet Sauvignon and Merlot.

*A supple wine to share with friends and family over an aperitif.*
