

# BEE WORK READY TAILORED SUPPORT

Our Bee Work Ready 1:1 support packages are tailored and flexible to each individual. They are designed to develop employability skills and confidence, always working towards self-efficacy.

## Tailored to each individual

Session 1 includes the production of a support plan based on employability support needs.

## Flexible session booking

Session frequency and timings are flexible to each situation and include non-office hours.

## Summary updates

Initial assessment and final summary sent to client as well as email updates throughout.

## Access to resources

All resources are reviewed regularly and adapted to changes in the sector.

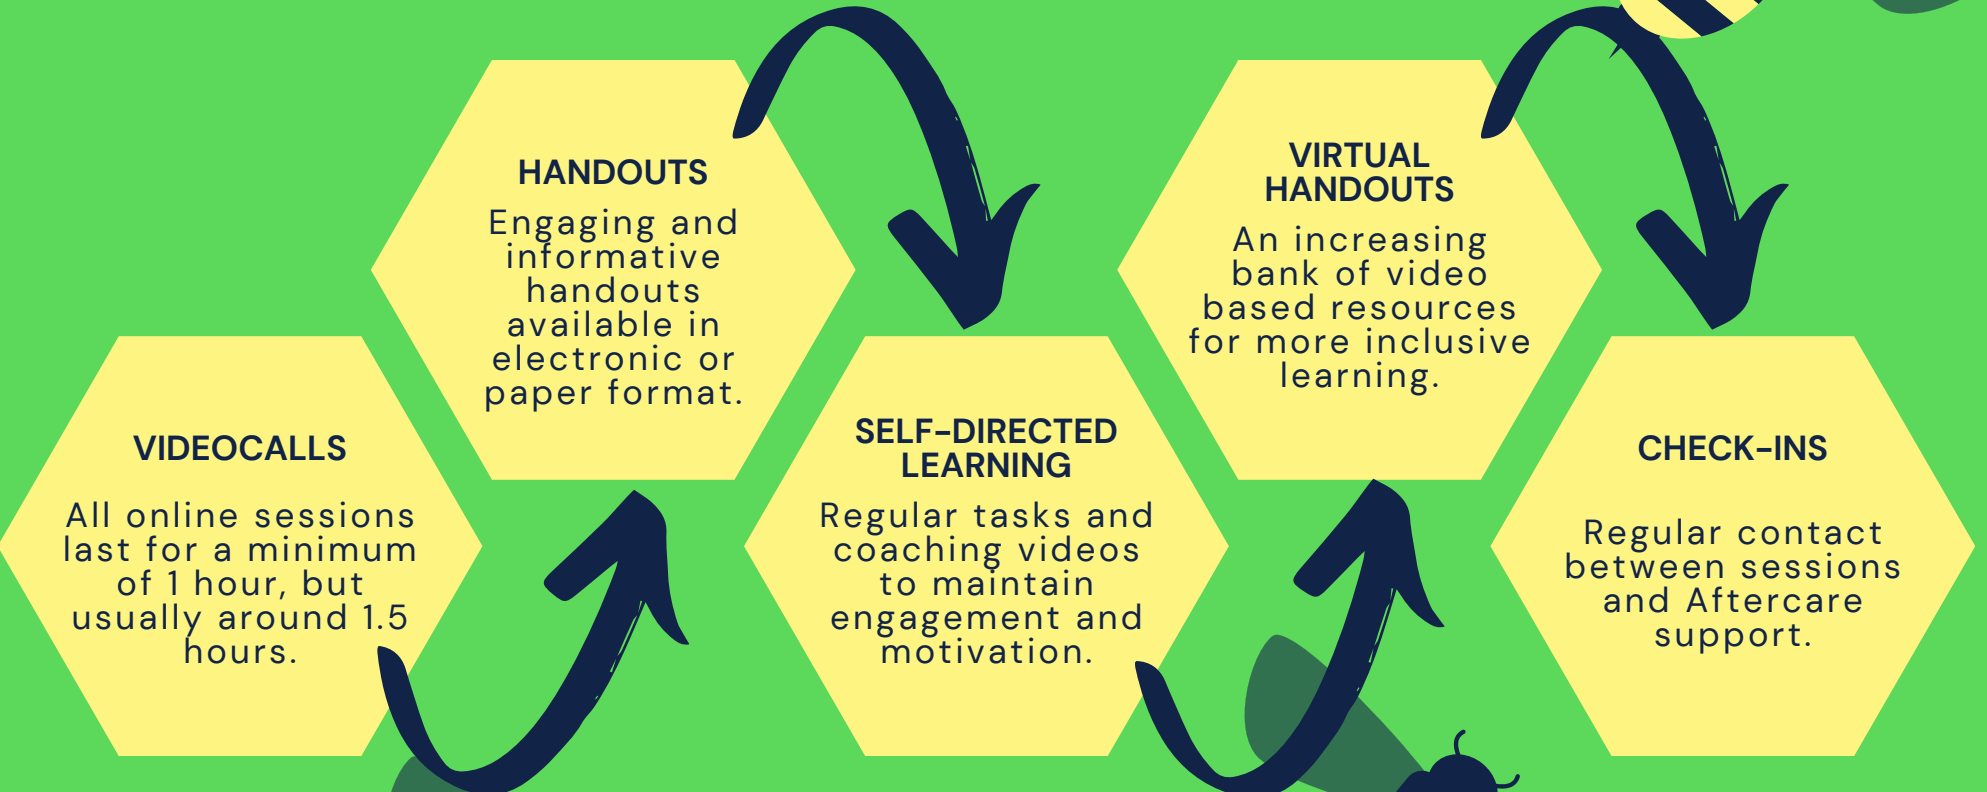

## Aftercare support

Enrolment onto our Aftercare support package to maintain motivation and transition to self-efficacy.
