You're not a true Halo 3 fan until you have this book! If I were to choose a guide to follow, this would be the one. Even though I haven't used the campaign portion of the book yet, everything else has been helpful.

The greatest strength of the book is that it has no spoilers. It would've been 5 star if not for the two small typos and a few problems with the weapon placements on some maps. I learned that the brutes, and grunts in halo 3 on legendary could be more skillful and more careful but sneaky too.
