The Nice Guys: From Script to Screen by Shane Black: Used | eBay

He is mostly, however, an alcoholic buffoon. Gosling has been funny before The Big Short , but I had no idea he was this skilled as a physical comedian. There is a sequence in a bathroom stall that is the stuff of genius, in which March is threatened by a thug while sitting on the toilet and frantically trying to negotiate his cigarette, his magazine, his gun, the stall door and his pants all at once. Throughout, Gosling does enough stumbling and bumbling and falling from balconies twice! Holly, meanwhile, has the hope — that Healy can overcome his brutal instincts, that her father can

kick the booze and that justice will win out in the end. Whenever you think things might be getting saccharine, Black does something that kicks us in the gut.

March gets stinking not comedically drunk. Healy pummels an adversary within an inch of his life. A significant supporting character is shockingly shot in the head. The police arrive at the scene, and March and Healy are met by Amelia's mother, Judith Kuttner, a high-ranking official in the Justice Department , who claims Amelia is delusional and believes Judith wants her dead. Judith hires the duo to find her daughter. March and Healy go to an airport hotel where Amelia is meeting with distributors for the film. John Boy has arrived ahead of them; they witness the businessmen being slaughtered and hastily retreat, only for Amelia to land on their car and shoot at them, knocking herself unconscious.

They take her to March's house, where she reveals that her mother is in the pocket of the cartel-like Detroit automakers. After uncovering evidence that they suppressed the catalytic converter , which regulates exhaust emissions, Amelia created the film to expose their collusion, and her mother has had everyone connected to the film killed. March tells Judith's assistant Tally that Amelia has been found and is at March's house. When March crashes the car, the briefcase flies open to reveal shredded magazines; the delivery was a diversion to leave Amelia unprotected. John Boy arrives at March's house disguised as the family doctor, attacking Holly and her friend Jessica, then engaging in a shootout with March and Healy before evading the police. Amelia flees the house only to be killed by John Boy when she unwittingly flags down his car. March and Healy are questioned by the police and then released, having no evidence that Judith is behind the murders.

March realizes that nearsighted Mrs. Glenn didn't see Misty two days after her death; Mrs. Glenn saw Misty in a movie projected against a wall. At Misty's house, they discover a film projector, but the film is missing. They realize that Chet is the projectionist for the Los Angeles Auto Show and will try to screen the film at the event. At the auto show, Healy and March are intercepted at gunpoint by Tally, who is then distracted by Holly and knocked unconscious. Healy finds Chet, who has spliced the film into the auto show presentation. The film plays to the entire auto show, implicating the auto executives. On the roof, March struggles with Older Guy, who falls to his death while March lands in the pool. Holly stops Tally from reaching the film. Healy overpowers John Boy, but spares his life at Holly's ultimatum, and March secures the film from thugs sent by the auto executives.

Judith is arrested, but insists she did not want Amelia killed and that it was Detroit who wanted Amelia dead. Judith hired March and Healy to keep Amelia safe, and remarks that while she will go to jail, Detroit has still gotten away with trying to suppress the catalytic converter. Along the way, they swapped characters and eventually wrote a first draft. This version of the script failed to attract any buyers, and then Black reworked it into a page version that would serve for a television pilot. CBS became attracted to it, but given the contents led to many objections by the Standards and Practices department, it eventually did not progress.

Black's producer friend Joel Silver was initially wary of the idea as he felt audiences would not be as welcoming to a period piece , but he changed his mind after producing Sherlock Holmes. After Black completed Iron Man 3 in , Silver asked him what he wanted to do next, and he expressed interest in doing The Nice Guys. Gosling even stated that when he read the script already picturing Crowe as Healy, "the movie just immediately became so funny" as he had never seen Crowe in a similar role. Principal photography began on October 27, , in Atlanta and Decatur , Georgia. Bridgland did his best to recreate the s, researching from Super 8 films to documentary photographs, and basing the furniture on designers such as Verner Panton.

Even the Misty Mountains glamour photography had Bridgland recruiting Arny Freytag , responsible for most Playboy centerfolds of the decade. Ottman drew inspiration from s shows such as S. Ottman detailed that the difference to Kiss Kiss Bang Bang was that now the music was more song-driven, [24] with Black stating that the songs would contrast to the neo-noir tone by focusing on mainstream, exuberant songs of the decade. Lakeshore Records issued soundtrack albums for both the featured music and original score. In the United States, the film was originally scheduled for a June 17, release, [28] which Warner Bros. The website's critical consensus reads, " The Nice Guys hearkens back to the buddy comedies of a bygone era while adding something extra, courtesy of a knowing script, and the irresistible chemistry of its leads. It's probably the Shane Black-est of all the Shane Black movies.

Black has a knack for turning action movie expectations on their head mixed with knowing and rich dialogue. Berardinelli wrote, "The Nice Guys is a refreshingly adult movie entering a marketplace saturated by teen-friendly superhero flicks and animated family fare. It's edgy although not so edgy that it will turn off a mass market audience , funny, and fast-paced", and he gave a score of 3 out of 4. Scott wrote, "Even nostalgic nonsense requires more than attitude and energy, which is all that Mr.

Black has to offer. And despite all its restless detective work, The Nice Guys is unable to track down a soul or a reason for being. In May , prior to the film's release, Black said of a follow-up, "I think it's a little premature to consider a sequel. I don't believe in jinxes necessarily, but we really need people to see this one before we can even talk about that. We're up against some stiff superhero competition and we just need people to, you know, maybe see Captain America six times, but not the seventh and see us instead. In September , Fox gave a script commitment to a contemporary female-led television version titled The Nice Girls , to be produced by Silver Pictures Television with a script by Michael Diliberti.

March gets stinking not comedically drunk. Healy pummels an adversary within an inch of his life. A significant supporting character is shockingly shot in the head. The Nice Guys is hilariously breezy for most of its running time, until the movie suddenly, unexpectedly sobers up. And there is one climactic development — involving a badly miscast Kim Basinger as a federal prosecutor — that makes no sense at all.

The Nice Guys is a comedy too, but one with a certain weariness and regret. March ekes out a living as a private detective, while also trying to provide some semblance of a home for Holly whose mother, we learn, has recently died.

He is mostly, however, an alcoholic buffoon. Gosling has been funny before The Big Short , but I had no idea he was this skilled as a physical comedian. There is a sequence in a bathroom stall that is the stuff of genius, in which March is threatened by a thug while sitting on the toilet and frantically trying to negotiate his cigarette, his magazine, his gun, the stall door and his pants all at once. Throughout, Gosling does enough stumbling and bumbling and falling from balconies twice! Holly, meanwhile, has the hope — that Healy can overcome his brutal instincts, that her father can kick the booze and that justice will win out in the end. Whenever you think things might be getting saccharine, Black does something that kicks us in the gut. March gets stinking not comedically drunk. March and Healy question Amelia's anti-pollution protest group and meet Chet, who brings them to the burnt-down house of Amelia's boyfriend Dean, who died in the fire.

The two infiltrate a party in search of the film's financier, Sid Shattuck. Healy discovers the film is missing, while a drunken March finds Shattuck dead, and unknowingly crosses paths with Amelia. March's daughter Holly, having snuck along to the party, manages to stop Blueface from killing Amelia. Blueface is struck in a hit-and-run, and Amelia flees. Healy subdues Older Guy and finds Blueface dying, who tells Healy his boss has dispatched a hit man named John Boy to kill Amelia, March, and all other witnesses.

Healy discreetly strangles Blueface to death. The police arrive at the scene, and March and Healy are met by Amelia's mother, Judith Kuttner, a high-ranking official in the Justice Department , who claims Amelia is delusional and believes Judith wants her dead. Judith hires the duo to find her daughter. March and Healy go to an airport hotel where Amelia is meeting with distributors for the film. John Boy has arrived ahead of them; they witness the businessmen being slaughtered and hastily retreat, only for Amelia to land on their car and shoot at them, knocking herself unconscious. They take her to March's house, where she reveals that her mother is in the pocket of the cartel-like Detroit automakers. After uncovering

evidence that they suppressed the catalytic converter , which regulates exhaust emissions, Amelia created the film to expose their collusion, and her mother has had everyone connected to the film killed.

March tells Judith's assistant Tally that Amelia has been found and is at March's house. When March crashes the car, the briefcase flies open to reveal shredded magazines; the delivery was a diversion to leave Amelia unprotected. John Boy arrives at March's house disguised as the family doctor, attacking Holly and her friend Jessica, then engaging in a shootout with March and Healy before evading the police. Amelia flees the house only to be killed by John Boy when she unwittingly flags down his car. March and Healy are questioned by the police and then released, having no evidence that Judith is behind the murders. March realizes that nearsighted Mrs. Glenn didn't see Misty two days after her death; Mrs.

Glenn saw Misty in a movie projected against a wall. At Misty's house, they discover a film projector, but the film is missing. They realize that Chet is the projectionist for the Los Angeles Auto Show and will try to screen the film at the event. At the auto show, Healy and March are intercepted at gunpoint by Tally, who is then distracted by Holly and knocked unconscious. Sell your Screenplay ». Start writing now ». By Title. In Scripts. By Writer. As the trail leads him to track down a girl named Amelia Qualley , he encounters less licensed and less hands-off private eye Jackson Healey Russell Crowe and his brass knuckles, both hired by the young hippie. However, the situation takes a turn for the worse when Amelia vanishes and it becomes apparent that March wasn't the only party interested. As both men are forced to team up, they'll have to take on a world filled with eccentric goons, strippers dressed as mermaids and even a possible government conspiracy.

Genre: Action , Comedy , Crime. Director s : Shane Black. IMDB: 7. Next ». Aren't they lucky? Let's see what they have brought with them to the pool today. Jonathan has a gay towel. They know too much. She's Who's the man, baby? Who's the man? You're the man. That's right. I'm the man. You're my foxy-fox. I mean, I grew up Irish. The Bronx. I don't have a job title, I'm not in the Yellow Pages, but if you got trouble with someone, someone's messing around with your underage daughter, you might ask around for me, Jackson Healy. Grand, isn't it? I was in love once. Marriage is buying a house for someone you hate. Remember that. And, Mr Paulsen, glad to have you here.

I understand that you're in town for the big show. Take a look at this outstanding line-up we have here for you. These cars are so incredible, they practically drive themselves. Thursday, as you may remember, is my birthday. Please give accordingly. Also I hope you didn't forget that you're supposed to be working today.
