When the maximum participants per event is reached, based on fully registered/paid teams, others will be added to the waitlist.

Skill Level: Both players must be rated at the required skill level for the same level event.

Registration and skill level is based on the players: - Club Rating (Nanaimo Member's Only)

The Tournament Committee reserves the right to place players in the Skill Group based on their current club rating. If both players are not within the same category listed - the team will be entered in the highest players' level. The Tournament Committee has the right to make changes to the tournament, combine divisions, or change and alter the format depending on the number of registrations received.

We continue to promote and expect that players will be diligent regarding the health and safety of everyone. If you are not well and experiencing any flu or COVID like symptoms we want, you to care for yourselves and refrain from any play at the tournament. The club has an obligation to strictly enforce our mandate of providing a safe and inclusive environment where members can participate in the sport of pickleball.

The Provincial government has thanked the people of British Columbia for the sacrifices made by all of us to manage this pandemic. The Club would also like to extend a thank you to all players for their personal choices in managing our collective health challenges. As a club, the Executive will continue to respect individual choices each player makes in regard to the current PHO orders and one's own health.

Respectfully,
Nanaimo Pickleball Club Executive
