

Departing Directors Message

Cecil Baldry-White:

"Over the past year I've enjoyed serving as the New Member Liaison Director and feel that welcoming and supporting new members into our Club is one of the many things that differentiates this great organization and builds club spirit that makes membership even more rewarding. New member feedback has been overwhelmingly positive, I've received so many compliments and thank yous for making this extra effort to make integration as easy as possible. For members who are interested in joining the executive team I think this is a great position to hold and encourage you to approach a director and learn more about how you can participate." Cec

Susan Morgan:

"I had the opportunity to backfill a vacant executive position until the 2023 AGM. I was able to see how the executive members worked well together using their different skill sets for the benefit of the club.

I am pleased I am able to continue with coordinating one of the Saturday sessions the club has booked at Oliver Woods. By doing this I have been able to get to know many more of the members of the club. I look forward to helping more in the background as needed.

Play hard, have fun. See you on the courts." Susan
