2. These Conditions apply to the Contract to the exclusion of any other terms that the Supplier seeks to impose or incorporate.
3. The Order constitutes an offer by the Customer to purchase the Goods in accordance with these Conditions.
4. The Order shall be deemed to be accepted on the earlier of:
  - 4.1. the Supplier issuing a written acceptance of the Order; and
  - 4.2. the Supplier doing any act consistent with fulfilling the Order, at which point the Contract shall come into existence.
5. The Supplier shall ensure that the Goods shall:
  - 5.1. correspond with their description and any applicable Specification;

- 5.2. be of satisfactory quality (within the meaning of the Sale of Goods Act 1979, as amended) and be fit for any purpose held out by the Supplier or made known to the Supplier by the Customer expressly or by implication, and in this respect the Customer relies on the Supplier's skill and judgement;
- 5.3. Comply with all applicable statutory and regulatory requirements relating to the manufacture, labelling, packaging, storage, handling and delivery of the Goods.
6. The Supplier shall ensure that at all times it has and maintains all the licences, permissions, authorisations, consents and permits that it needs to carry out its obligations under the Contract.
7. The Customer shall have the right to inspect and test the Goods at any time before delivery.
8. If following such inspection or testing the Customer considers that the Goods do not conform or are unlikely to comply with the Supplier's undertakings at clause, the Customer shall inform the Supplier and the Supplier shall immediately take such remedial action as is necessary to ensure compliance.
9. Notwithstanding any such inspection or testing, the Supplier shall remain fully responsible for the Goods and any such inspection or testing shall not reduce or otherwise affect the Supplier's obligations under the Contract, and the Customer shall have the right to conduct further inspections and tests after the Supplier has carried out its remedial actions.
10. The Supplier shall ensure that:
  - 10.1. the Goods are properly packed and secured in such manner as to enable them to reach their destination in original condition;
  - 10.2. each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, the Order reference, the type and quantity of the Goods (including the code reference of the Goods, where applicable), special storage instructions (if any) and, if the Goods are being delivered by instalments, the outstanding balance of Goods remaining to be delivered;
  - 10.3. if the Supplier requires the Customer to return any packaging material to the Supplier, that fact must be expressly stated in the Order. Any such packaging material shall be returned to the Supplier at the cost of the Supplier;
  - 10.4. that copies of the appropriate operating and maintenance documents be provided to the Customer for inclusion into their own submission to their Employer. The quantity required shall be notified to the supplier by the Customer or in accordance with the Main Contract documentation (which would be available upon request).

11. The Supplier shall deliver the Goods:
  - 11.1. on the date specified in the Order, or, if no such date is specified, and no sufficient confirmation of delivery date is forthcoming from the Customer in a reasonable time from the date of the order, within 28 days of the date of the Order;
  - 11.2. to the location as is set out in the Order, or as instructed by the Customer prior to delivery;

12. Delivery of the Goods shall be deemed to be satisfied on the completion of unloading the Goods, in original condition, at the Delivery Location and providing all necessary documentation.
13. Delivery shall be at the Supplier's costs unless otherwise instructed on the Order.
14. WH&E may defer the date or dates of delivery of the Goods without incurring any additional liability to the Supplier whatsoever.
15. The Supplier shall not deliver the Goods in instalments without the Customer's prior written consent. Where it is agreed that the Goods are to be delivered by instalments, they may be invoiced and paid for separately. However, failure by the Supplier to deliver any one instalment on time or at all or any defect in an instalment shall entitle the Customer to the remedies set out in herein.
16. Where the goods are to be supplied in instalments, the contract is still to be treated as a single contract. If you fail to deliver or perform any instalment we may treat the whole contract as repudiated.
17. If the Goods are not delivered on the date they are due as referred to herein, or do not comply with the undertakings set out herein, then, without limiting any of its other rights or remedies, the Customer shall have the right to any one or more of the following remedies, whether or not it has accepted the Goods:
  - 17.1. to terminate the Contract;
  - 17.2. to reject the Goods (in whole or in part) and return them to the Supplier at the Supplier's own risk and expense;

- 17.3. to require the Supplier to repair or replace the rejected Goods, or to provide a full refund of the price of the rejected Goods;
- 17.4. to refuse to accept any subsequent delivery of the Goods which the Supplier attempts to make;
- 17.5. to recover from the Supplier any costs incurred by the Customer in obtaining substitute goods from a third party; and
- 17.6. to claim damages for any other costs, loss or expenses incurred by the Customer which are in any way attributable to the Supplier's failure to carry out its obligations under the Contract.
18. The Supplier shall keep the Customer indemnified in full against all costs, expenses, damages and losses (whether direct or indirect), including any interest, penalties, and legal and other professional fees and expenses awarded against or incurred or paid by the Customer as a result of or in connection with:
  - 18.1. any claim made against the Customer for actual or alleged infringement of a third party's intellectual property rights arising out of, or in connection with, the supply or use of the Goods, to the extent that the claim is attributable to the acts or omissions of the Supplier, its employees, agents or subcontractors;
  - 18.2. any claim made against the Customer by a third party arising out of, or in connection with, the supply of the Goods, to the extent that such claim arises out of the breach, negligent performance or failure or delay in performance of the Contract by the Supplier, its employees, agents or subcontractors; and
  - 18.3. any claim made against the Customer by a third party for death, personal injury or damage to property arising out of, or in connection with, defects in Goods, to the extent that the defect in the Goods is attributable to the acts or omissions of the Supplier, its employees, agents or subcontractors.
19. Any breach of the Main Contract arising out of or in connection with any act or omission of the Supplier.

This clause and associated sub clauses shall survive termination of the Contract.

20. The Customer's rights and remedies under these Conditions are in addition to its rights and remedies implied by statute and common law.
21. Title in the Goods shall pass to the Customer on completion of delivery or payment whichever is the sooner. Risk shall pass on delivery. For the avoidance of doubt, and without limitation to the foregoing, the Supplier is responsible for all damage losses incurred to the Goods whilst in transit or in the care of the Supplier.

22. The price of the goods will be as stated in our order and, unless otherwise stated, will be:
  - 22.1. Exclusive of any applicable VAT (which will be payable by us subject to receipt of a valid VAT invoice);
  - 22.2. Inclusive of all charges for packing, packaging, shipping, carriage, insurance and delivery to or at the delivery address stated on the order, and of any duties or levies other than VAT;
  - 22.3. Payable in pounds sterling; and
  - 22.4. Fixed for the duration of the contract.
  
23. The payment of accounts other than those requiring certification by an Architect or Consulting Engineer, will be made subject to the right of set off (where applicable) 60 days from the end of the month in which the invoice is received by us unless otherwise specifically arranged. Inattention to the following details may delay payment, but no prompt payment discount shall be forfeited by the Company on account of the Suppliers failure:
  - 23.1. to send on the day of despatch of each consignment such Advice(s) and invoice(s) as may be indicated on this order;
  - 23.2. to send by the 14th day of each month a Monthly Statement of Account quoting the Invoice Numbers applicable to each item thereon;
  - 23.3. to mark clearly the full order number including prefixes on the Consignment Package, Packing Notes, Advice Notes, Invoices, Monthly Statement and all other correspondence relating thereto;
  - 23.4. to set-off any loss expense cost on damages arising out of or in connection with the contract or any other agreement between WH&E, or an associated company of the Supplier;
  - 23.5. to set-off against any money owed to us by you.
  
24. All Goods to be delivered CPT (Carriage Paid) unless stated otherwise and the risk of damage or loss to the goods being transported is the responsibility of the seller until the goods have been delivered and signed for by a WH&E employee.
  
25. The Supplier acknowledges that all materials, equipment, tools, drawings, specifications and data supplied by the Customer to the Supplier, and all rights in the Customer material, are and shall remain the exclusive property of the Customer. The Supplier shall keep the Customer Materials in safe custody, and utilise them, at its own risk, maintain them in good condition until returned to the Customer, and not dispose or use the same other than in accordance with the Customer's written instructions or authorisation. Failure to observe this clause will give rise to the

Customer to seek remedies as contained herein or as is reasonable to suitably compensate the Customer for their Loss and Expense.

26. During the term of the Contract and for a period of 12 years thereafter, the Supplier shall maintain in force, with a reputable insurance company, professional indemnity insurance, product liability insurance and public liability insurance to cover such heads of liability as may arise under or in connection with the Contract or Main Contract, and shall, on the Customer's request, produce both the insurance certificate giving details of cover and the receipt for the current year's premium in respect of each insurance.
27. A party (receiving party) shall keep in strict confidence all technical or commercial know-how, specifications, inventions, processes or initiatives which are disclosed to the receiving party by the other party (disclosing party), its employees, agents or subcontractors, and any other confidential information concerning the disclosing party's business, its products or its services which the receiving party may obtain. The receiving party shall only disclose such confidential information to those of its employees, agents or subcontractors who need to know the same for the purpose of discharging the receiving party's obligations under the Contract, and shall ensure that such employees, agents or subcontractors shall keep such information confidential.
28. The Customer may terminate the Contract in whole or in part at any time before delivery with immediate effect by giving the Supplier written notice, whereupon the Supplier shall discontinue all work on the Contract. The Customer shall pay the Supplier for the Goods delivered at the time of termination and the Supplier shall not receive any other monies arising out or in connection with the Goods or termination whatsoever. Without prejudice to generality of the foregoing the Supplier shall not be entitled to any loss or profit or consequential losses arising out of or in connection with the termination.

31. WH&E shall not be liable to the other for any delay or failure in performing its obligations under the Contract to the extent that such delay or failure is caused by an event or circumstance that is beyond the reasonable control of that party, and which by its nature could not have been foreseen by such party or, if it could have been foreseen, was unavoidable, provided that WH&E shall use all reasonable endeavours to cure any such events or circumstances and resume performance under the Contract.
