GUIDELINES FOR NAMING DOGS

- (7) When requesting a name on this form please bear in mind the following:
 - (a) A name must consist of more than one word but not more than 24 letters including affix (if any). Note an affix is a word which, upon application, is granted by the Kennel Club of Jersey and is reserved for the sole use of the affix holder(s) in the naming of dogs. It is not necessary it have an affix in order to register a dog.
 - (b) An identical name already used cannot be used again unless fifteen years have elapsed since the name was previously allowed. It can be used as part of the name in conjunction with an affix or another word making it unique.

- (c) A name which conflicts with an approved and current affix granted to another person will not be accepted. Any affix granted by the Kennel Club and/or the Guernsey Dog Club will also be protected by the Kennel Club of Jersey.
- (d) The surname of the applicant is not acceptable.
- (e) The name should not begin with a single lettered word.
- (f) Initials cannot be used and abbreviations may be disallowed.
- (g) Numbers in figures are not acceptable. Numbers in words are acceptable except when used to indicate a sequence e.g. "Jersey Bean the Second".
- (h) Punctuation marks may be disallowed.
- (i) Canine terms are not permissible e.g. "dog", "bitch", "Kennel", "Champion", "Crufts", names of breeds.
- (j) If an affix is to be used when registering a dog the affix must appear as the first word in the name. Please note that at a later date a new owner of a dog may add his own affix, if he has one, to the end of the dog's name, unless a request to endorse the registration "name unchangeable" is made (additional fee due).
- (k) It should be noted that once a name has been registered it may only be changed by the addition of the owners affix to the original name. It is not possible to change the name in any other way.
- (l) The Kennel Club of Jersey will not accept a name which may be similar to an existing name and/or which may create confusion.
- (m) The Kennel Club of Jersey reserves the right to refuse any name which it considers inappropriate or offensive.
- (8) To avoid rejection of an unacceptable name (mainly through accidental use of an approved affix) applicants must give alternative name choices otherwise the Kennel Club of Jersey may select a name without further reference to the owner.
- (9) Should none of the alternative names be available the Kennel Club of Jersey may select a name. It should be noted, however, that if the Kennel Club of Jersey selects a name for registration, that name cannot afterwards be changed apart from the addition of an affix.
