

Kennel Club of Jersey Committee update for Members following the 13 March 2024 meeting

- **The Channel Islands Dog of the Year** was a great success. Helen Lester would like to thank everyone who contributed to DOTY, especially the show team. The Club has received great feedback. £1496 was raised in total at DOTY's day and evening's raffles.

- **2025 Show Dates**

The following are the dates for the 2024 Dog of the Year and 2025 shows:

8th February - 2024 Channel Islands Dog of the Year

29th March - Winter Championship Show

31st May - Open Show

19th July - Spring Championship Show

13th September - Summer Championship Show

16th November - Open Show

The Committee was hoping to hold two back to back championship shows on the 19th July but as we continue to struggle to find helpers on show days it was felt that this would not be possible. For the same reason, and a result of low entries we have decided not to hold a Members show in January.

If there is anyone who is willing to help at the shows please contact any member of the Committee.

- **Trial of Simplified Trophy Signing Sheets**

New, simplified trophy signing sheets will be introduced for a trial run at the Winter Championship Show.

- **Passing of former Club member**

The Committee announces with deep sadness former member Claire Bannister, extending heartfelt condolences to her family and friends.

- **No Pre-Match Training on 28 April**

It has been decided that there won't be training before the match held on 28 April.

- **After Show Dinners**

After show dinners will now only be organised for Championship Shows.
