Arrange the shapes below to create a tree. You can use as many triangles, circles, and rectangles as you want, but you can only draw these shapes and these sizes!

Below is the starting line on a track. Draw a picture of yourself amidst the other runners ready to run the race. Then write out the memory verse on the track.

"And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith." -Hebrews 12:1-2

A marathon is a race that lasts _____ miles,

or _____ kilometers.

Do you know the history of the marathon? The name Marathon comes from the legend of Pheidippides, a Greek messenger. Legend states that in 490 BC, he was sent from the battlefield of Marathon to Athens to announce that the Greeks defeated the Persians in battle. He supposedly ran the entire distance without stopping and burst into the assembly, exclaiming "We won!" Immediately after, Pheidippides died. Today, people train for the 500+ marathons that take place around the world every year.
