Key Benefits

Suite in a Box

From finance to HR and CRM, run your entire business on one secure cloud suite built on time tested business processes.
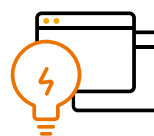

Built For Growth

A dynamic, configurable solution that will drive growth today and keep growing with your business.

Insightful

Analytics are a part of every process, so you get full transparency to make informed decisions everyday.

Continuous Innovation

It's a safe, smart choice backed by SAP's proven track-record of investment, innovation, and delivery in the cloud.

Pricing

Monthly Subscription Fee
based on number of users

All-inclusive pricing model enables fast time to value
With no IT investment or capital outlay needed, you get predictable subscription pricing to manage cost of ownership. SAP takes care of all the hardware, support, disaster recovery and data protection.

Customer References from Key Industries

Manufacturing
220 Employees
Valantur.com

"We now have a clear [real-time] overview of all tasks being carried out at each of our sites. If we receive an order at a site that's overloaded, it's very easy to pass this order on to another site. **SAP Business ByDesign makes our life simple.**"

Thierry Sourisseau | **Head of IT**
Groupe Valantur
