ALUMINIUM DOORS & WINDOWS HARDWARE

Inspired By Design, Powered By Quality

ABOUT COMPANY

PEGO is one of the leading and a pioneer Door & Window Hardware Brand in India. PEGO has created niche with focus on Aluminium & uPVC Door & Window Hardware. "Inspired by Design & Powered by Quality" – The Organization lives by this Tagline & it is integral to the ethos of the company.

PEGO Hardware through its reach, diversity & innovations has made enormous strides in setting trends, benchmarks, redefining and creating strong niche in the Indian fenestration industry over a decade. The Company has already executed many Private, Government & Institutional Projects across the country.

PEGO has complete range of Aluminium & uPVC door & window hardware covering:

- Casement Door Hardware
- Sliding Door Hardware
- Casement Window Hardware
- Sliding Window Hardware

The USP of PEGO is its ability to address the need of the industry and various stakeholders with respect to hardware solutions through its range of innovative and premium products. It is for this reason company has enjoyed patronage over the years of Developers, Architects, Consultants & Door and Window Manufacturers.

PEGO with its extensive growth has managed its presence on PAN India basis through its sales team and Branch Offices cum Warehouses. The company boasts of state of the art facility with testing laboratory. At its head office, PEGO has created first of its kind Application Centre by a hardware company in fenestration Industry in India with the display of new innovative hardware products & their application. The Company has its In-House R&D Lab fully equipped to measure product cycle testing, powder coating thickness, material composition enabling it to deliver premium quality products with 10 years warranty. All products are backed up with all the requisite certifications from internal & external laboratories.

PEGO under the leadership of its founder Mr. Karan Shah – Foster the team with zeal, thrive and passion leading them to become the company to be "Partner of Choice...!" on a National Level.
