A Condolence Message To The Family Of The Honorable Alicia Chucky Hansen

I was deeply saddened to hear of the passing of Senator Alicia "Chucky" Hansen, a remarkable individual whose impact on the Virgin Islands and beyond was nothing short of extraordinary. In her 70 years of life, Chucky left an indelible mark as a passionate advocate, a dedicated public servant, and a beloved figure in the hearts of many. Her legacy will continue to inspire and guide us, even in her absence. Alicia Hansen ventured into the realm of politics in 1986 at a time when securing a senatorial seat without political party affiliation was considered nearly impossible. She fearlessly broke barriers, serving an impressive 11 terms as a senator for the District of St. Croix. Her record for the most votes in a senatorial election territory-wide still stands as a testament to her unwavering commitment to the people she represented. Chucky's independence allowed her to champion the causes of the underserved and underrepresented Virgin Islanders, no matter their background or origins. Beyond her political achievements, Chucky was a cherished radio personality with her show, "Keeping in Touch." She addressed a wide array of issues, from engaging in vital political dialogues to offering heartwarming advice on how to maintain harmony in one's household. Her unique brand of creativity and her distinctive voice made her a household name in the US Virgin Islands.

Chucky Hansen was more than her political career; she was a courageous defender of human rights and a tireless advocate for her constituents. Her legacy is a testament to her enduring spirit and her unwavering dedication to the well-being of the people she served. Her charisma, humor, and tenacity left an indelible mark on those privileged to work alongside her. As we bid farewell to this great person, let us also reflect on the wisdom of Ecclesiastes 3:1-2, which tells us, "To everything, there is a season, and a time to every purpose under heaven... a time to be born, and a time to die." Chucky's time has come, and though we grieve her loss, we must remember that her work and legacy will live on in the hearts of those she touched. Her life was a testament to the power of dedication, passion, and unwavering commitment to making our Virgin Islands a better place. Chucky, you will be dearly missed, but your impact on our lives and memory will continue to guide us. To the family: Please accept my heartfelt condolences, and know you are all in my thoughts and prayers. Chucky's legacy will live on, and her contributions to the Virgin Islands will not be forgotten.
