

Op-ExServices

Integrating Innovation, Expertise and Experience

An Introduction to Op-Ex Services Inc.

Op-Ex Services

- Located on Vancouver Island – Serving Western Canadian Businesses.
- Op-Ex Services Inc is a consulting and advisory company specializing in Business Operations Improvement through Operational Excellence implementation.
- We specialize in business development supporting both individual consultancies and companies alike.
- Our focus is geared towards helping companies streamlining their operations and implementing new innovated solutions through a proprietary Operational Excellence Model.
- We consult with clients to determine if we are a match for their needs – working with companies to establish mutual goals in terms of delivering value for both organizations.

What We Do...

- Provide subject matter expertise, advice, knowledge and operational experience to help companies design, implement and sustain Operational Excellence aligned Management Systems.
- Work with companies, service groups and organizations (including non-profit) that are positioned for and seeking improvement.
- Provide Operational Excellence introductory sessions for all types of business (profit and non-profit) and individuals new to the principles and concepts of Operational Excellence.
- Practice exemplary business ethics with a creative approach, coupled with a desire to create long-lasting relationships and opportunities to provide value-added contributions to our client's businesses.
- We are passionate, willing and able to take on challenges that matter to our clients and help the sustainable development of their business.

Op-Ex Services

Having worked with a variety of clients, where we developed cost-effective solutions in accordance with our clients risk tolerance and budget.

We remain extremely competitive by offering high-value services at excellent prices.
