1. Titan Award 2023
2. Indian Achiever Award 2023

RECOGNITION

1. **LinkedIn Top Programming Voice Badge:** Recently awarded the "Top Programming Voice" badge by LinkedIn, a distinction reserved for the top 5% of contributors, I am recognized for my influential contributions and active engagement in the programming and technology discourse on the platform. This badge underscores my ability to engage a broad audience and significantly shape the conversation around cutting-edge technologies and programming practices.
5. **IEEE Senior Member:** have been recognized as a Senior Member of IEEE, a prestigious designation that acknowledges professional maturity and significant contributions to the field of engineering. This honor is awarded to less than 10% of members globally, underscoring my leadership and impact in technological innovation.
6. **Titan Platinum Award for IT – Technical Professional of the Year 2023:** Awarded for my outstanding contributions to the development of microservices, AI, and APIs, significantly advancing technology applications in B2B sales.
7. **Indian Achiever Award 2023:** Recognized for my significant contributions to the technology sector, particularly in driving innovations that have profoundly impacted industry standards and practices.
