

Puppy Questionnaire  
please fill out and email to rebelyellkennel@gmail.com

Have you ever owned a puppy, in particular an Australian Shepherd puppy?

Are you familiar with Australian Shepherds? How?

Have you researched the breed and what makes them special? Please tell us what that is, in your opinion, and what this breed needs more than some other breeds.

Do you have children? If so, what are their ages?

Do you have other pets?

Do you realize that an Aussie may “herd” you, your children, and your other pets?

Will you be able to meet the care and training needs of an Australian Shepherd?

Have you read and agree to terms set forth in our contract?

Do you want to place a deposit for a current puppy or one from a future litter?

Do you understand that deposits are non-refundable, but are transferable?

What are you looking for in your dog (companion, therapy, show, agility, breeding, etc)?

Do you have a preference for male or female?

Do you have a color preference?

Where do you live? An apartment, house with yard, or a farm?

Are you a little bit loud and “ready to roll”, all action most days? Or are you a more laid back, slow walks, quiet evening type of person?

Do you like independent thinkers or velcro dogs the most?

Please feel free to write any comments or thoughts you may have about us, a future puppy, or anything else:
