The doctrine of
“the failure” that misses GOD
to be the target of our love
and worship

Lust is the grandmother of death!

But each one is tempted when he is drawn away by his own lusts and enticed. ¹⁵ Then, when lust has conceived, it gives birth to sin; and sin, when it is finished, brings forth death. ¹⁶ Do not be led astray, my beloved brethren.

[VW] Jacob 1:14+16

Wherever a lie is promoted, there will be people believing it. God will test you if you attach yourself to HIM or different persons with their systems of beliefs. Do not attach to me but to Yeshua and test all that you hear and read if it is true.

Prof. Dr Harald Hesse

Chose your father

You are of the devil as your father, and the lusts of your father you purpose to do. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he speaks a lie, he speaks from his own, for he is a liar and the father of it.

Preface

The world of sin is big and has many different faces and forms. It has its anchor in our flesh and tries to draw our soul into hell. Why? Because the temptation comes by the spirits that have been tempted and rebelled against GOD. Now they push the feelings and the same reactions upon us to make us their companions in their punishment. But hell is lonely and all memory makes you regret and there is no way out and no turning anymore. Sin can get anybody if preacher or pastor if pope or apostle no one is safe without a saviour. This work is done to make us aware of the snares and traps and the way out.

1. Before the sin

From nature we learn that life comes only from life and an animal is born from an animal so, a flower comes from a flower and a mushroom from its kind, yes all come from its kind.

When we come to see the description of the Garden that God planted eastward in Eden we perceive a harmonious idyllic unfolding of a genius that loves what HE does. A gardener that knows HIS subject well with no match in beauty, landscaping and construction. All senses needed to be satisfied and tickled. A variety of eye candies, fragrances, touches, sounds, tastes and feelings producing an aura of love and care where not one can be hurt. Ready for Adam the crown of this creation the image God was longing for in all eternity. Adam came out of the love of GOD, out of eternity. His character was pure as gold and his brightness like a sparkling diamond. I would like to believe he was made a twin of Elohim's appearance. HE was feeling him from afar and so did Adam. When he heard HIM, Adam was very happy and had long talks with his friend.

2. The way of sin

But GOD knew before the beginning of the world what would happen to this man he loved. Would Elohim dare to make him that wife that gave him the pomegranate deceived by the serpent and he ate. Yes, Adam would love her more than Elohim because she is made out of him but so was he, made of GOD and HIS breath. Which love was bigger? The one that was the loser had the bigger love and the loser was GOD! HE lost both but HE made a plan long before to get him back and even into HIS own house in heaven. Still nothing works without right justice. A punishment was requested since Adam was trapped by a method newly developed by the old serpent, the Lie from the inventor the liar. He can appear as the Angel of light or as the dragon or serpent or whatsoever. A shapeshifter Angel with name Lucifer or Satan. A deceiver of a rebellious group of Angels that would come down to earth in the time after some generations. And these Angels would have sex with the granddaughters of Adam. Lust was the beginning and it gave birth to sin and death and violence came into the world even in Adam's generation. He had to suffer to see all the calamity that rushed in, hate, jealousy, murder, war all the bad stuff that did not exist when GOD was Adam's friend, all the packet the devil has burdened upon him. The Serpent had deeply deceived them twice saying you will know good and evil. Yes first HE knew Elohim the good one, now he came to know Satan the bad guy. Your eyes will be opened! Yes and it was better what I saw before compared to

now. We do not need evil! Still the weight of sin is heavy and its burden presses you down into depression and regret so that your heart cannot deal with it. You wish you had not done it but you cannot put back your words into your mouth and you cannot make undone what is done because you are bound to time and matter in this space. And the worst the consequences of that go now through all mankind. Only one has a way much over it and therefore HE is the only hope of getting out of shame and of guilt and all the trash that sin has put on you.
