What's The NEW News Here at The Brentwood?

It is no secret that there has been a lot of exciting new changes going on here at the Brentwood! We have a lot of new friendly faces in management that are here to serve you in the best possible way they can! We want to give you the opportunity to get to know them all! Let's start with the top of our leadership with our new Executive Director:

Ms. Leah Bell

Leah joined the Brentwood on May, 1st 2023. Ms. Bell have over 11 years of experience in a leadership capacity in senior living, hospice, and health care. She is a registered LPN nurse. Her most recent position was executive director at Brookdale Senior living in Chickasha, OK. She has also served as an LPN office coordinator at Faith Hospice, and LPN for Health Care Innovations. Leah also has a vast knowledge of Sales and Marketing from prior positions obtained in Home Health and Hospice companies.

Fun Fact about Leah: She LOVES her snacks! You can always find a snack or two sitting in her office! She wants all the residents to know that her door is always open to listen to any concerns, positive feedback, or just simply how your day is going!

Brentwood Work Orders

We have implemented a new system for maintenance! **If you are needing any maintenance in your room, please either fill out a work order, or find a member of our staff and they will happily fill one out for you!**

Laundry information

As we know Mrs. Linda is now doing the laundry and is doing great! Please make sure you are aware of what day your laundry day is to have personals ready for her. If you also have extra sheets, please let the CAN's put the extra set on and Linda will have your dirty set washed, folded, and brought back to you!
